The screenshot displays the Grand Canyon University Gradebook interface. At the top, the user is identified as Justin Johnson. The navigation menu includes CALENDAR, TASKS, RESOURCES, CONNECT, REPORTS, and ANNOUNCEMENTS. The current assignment is 'Data Analysis and Application'. The 'Assignment' section shows 'Due Date' and 'Max Points' fields. Below this, a 'Graded Document' table is visible. The table has columns for Title, Attached Documents, Turnitin Report, Similarity Index, and Final Submission. A row shows a document titled 'JOHNSON.docx' with a 'View Report' link. Below the table, the 'Result' section is expanded, showing 'Instructor's Comment' (Please see the attached rubric and comments.), 'Instructor's Document' (Justin Johnson.docx), and 'Points' (/ (%)). Two red arrows point to the 'Instructor's Comment' and 'Instructor's Document' fields. The footer contains copyright information for LoudCloud Systems and a 'My Links' dropdown menu.
